There will be **no make-up** exams and quizzes. Once the test window closes, you will not be allowed to enter or re-enter the exam. **Once they have been submitted, you cannot review or reopen them. They cannot be re-opened because they contain copyrighted materials.** You may contact me if you have any questions about your results (e.g. via Canvas Inbox, visit me during my online office hours, etc.). I may also hold an online review after the quiz/exam has been closed.

Be sure to allow enough time to complete the exam as you must complete the exam **before** it closes at 11:59 PM (if you are part way through the exam you will be unable to complete it and your score will reflect this). Exams are open book and open notes.

Exams and quizzes are **timed and can only be accessed once**. Be sure to have a secure and stable internet connection before starting any exam as additional time will not be given for individual internet connection problems.
